Choosing Prints

1. Select clear and bright photos. Horizontal layout works best for 12 month calendar.
2. For calendars, mark the back of each picture with the month you wish it to appear on.
3. For collages: Paste your photos to white paper leaving 1/4" (white) border.

Using Digital Files

1. Choose clear and bright photos. Horizontal layout works best for 12 month calendar.
2. All photos must be cropped to desired image.
3. Name each picture file the month you want them to appear on.

Example: January.jpg or January.tif

1. For collages: Provide .jpg or .tiff files with your custom layout. Must have 1/4" white border.
